Dr. Partha Chattopadhyay
Hon'ble MIC, Higher Education Department
Govt. of West Bengal

Sub.: Implementation of pay of teachers and Principals of Govt.-aided colleges in West Bengal

Hon'ble Sir,

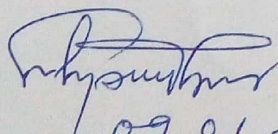

This is in pursuance with our previous letter dated 02.01.2020 in connection with the matter quoted above. May I humbly mention that we have made a prayer to you such that the pay of the Principals of Govt. aided colleges in West Bengal be fixed at Academic Level 14 with the rationalized entry level pay of Rs.144200.00 and a uniform rate of Special Allowance of Rs.3000.00 per month.

Subsequently, it has been observed that the Dept. of Higher Education has issued another order for the teachers and Principals of Govt. Engineering & Technology colleges (vide GO No.11-Edn(T), dated 07.01.2020 which says that " the pay of Principals shall be equivalent to the pay of Professors, i.e., at Academic Level 14 with rationalized entry pay of Rs.144200.00 with revised Special Pay if Rs.6750.00 per month".

Under the circumstances may I request you to kindly consider the academic level and special allowance in favour of all Principals of Govt. aided degree Colleges in West Bengal in tune with the G.O. published in favour of the Principals of Govt. Engineering & Technology colleges.

Hope to be favoured by your kind consideration as ever.

Best regards

09.01.2020

Dr Somnath Mukhopadhyay
Office Secretary
All Bengal Principals' Council
